

Bulletin 71

July 2014

JIG Publications

The purpose of this Bulletin is to advise all users of **JIG Standards** and **JIG Bulletins** of some changes to the arrangements for purchasing JIG Standards and accessing copies of JIG Bulletins.

JIG Standards

Until June of this year, JIG Standards (JIG 1, 2, 3 & 4) were only available for purchase in hard copy format from our distributor, *SAI Global*.

Earlier this year JIG made the decision to sell the Standards via the JIG Website. Following an upgrade to the website it is now possible to purchase electronic copies from the *on-line shop* section of www.jigonline.com

Hard copies of the Standards can be purchased from SAI until early August, 2014 – our contract with *SAI Global* expires on August 8th. After this date, hard copies will be available for purchase via the JIG *on-line shop*.

JIG Bulletins

New JIG Bulletins are currently uploaded to the JIG Website and distributed by e-mail from SAI. This e-mail distribution will cease with the termination of our contract with *SAI Global*.

All JIG Bulletins are listed on www.jigonline.com. In future, anyone who has purchased a copy of the latest issue of JIG 1, 2, 3 or 4 will be granted access via the website to JIG Bulletins. In order to access the bulletins an ID (username) and password to log-in to the JIG Extranet is required. Purchasers who do not already have an ID and password will need to contact JIG. Please send an e-mail to Jo Barlow (jo.barlow@jigonline.com) to request access.

An automated e-mail notification system to advise when a new JIG Bulletin is available is currently being developed.

Note: You will only be notified and have access to future JIG Bulletins if you have access to the JIG Website Extranet.

EI/JIG 1530

This joint Energy Institute/JIG publication is now available as a download from the JIG Website *on-line shop*. Hard copies may be purchased from the EI Website www.energyinst.org or from sales@portland-services.com.
